----Home Office----

10 Wayne Davis Drive • Tallapoosa, Ga. 30176  
Phone (770) 574-2326 Fax (678)573-3303

We would like to take this opportunity to introduce you to Wayne Davis Concrete Company. Wayne Davis Concrete Company is a supplier of ready-mix concrete, block, stone, sand, and related items in West Georgia. Operating fourteen facilities in the West Georgia area and a fully staffed quality control lab, Wayne Davis Concrete Co. is one of the fastest growing and most dependable ready-mix concrete producers in this area.

Please take a look at the following information about Wayne Davis Concrete Co., including a map of our service area and plant locations. Please notice our areas of service include Bartow, Carroll, Cherokee, Clayton, Coweta, NW Cobb, Dekalb, Douglas, Fannin, Fayette, Floyd, Fulton, Gilmer, Gordon, Haralson, Heard, Paulding, Pickens, Polk, Troup and Whitfield counties.

We look forward to the opportunity to work with you on any of your upcoming projects that you may have in the West Georgia area.

You may contact our Sales Manager, Angie Boatwright at our main office at 770-574-2326 ext. 311 to schedule a meeting, for additional information, quotations or service. Thank you and we look forward to hearing from you.

Sincerely,  
WAYNE DAVIS CONCRETE

Chris W. Davis

**WAYNE DAVIS CONCRETE CO.** was founded in 1971 by Wayne and Joyce Davis in the Tallapoosa, GA area. Today the company is still a family owned and operated business. We are proud to be the largest family owned and operated ready mix concrete producer in the West Georgia area.

Currently we operate fourteen plants, serving a fifteen county area, which includes west Georgia, parts of North Georgia, east Alabama and parts of the Metro Atlanta area.

We are equipped with an in-house quality control staff and testing lab. All of our concrete plants are computer batched.

Our fleets of ninety-five ready mix trucks are radio dispatched and equipped with GPS tracking systems and are always ready to deliver your concrete needs.

During the past forty-four years, we have strived to maintain the highest level of quality and service while meeting the needs of a changing industry and market.

Remember **"WDC"** means **WHEN DELIVERY COUNTS**

## WDC LAB

Wayne Davis Concrete's Quality Assurance Department includes a laboratory manager and two field/lab technicians under the direction of Wade Davis. Wayne Davis Concrete staffs a 1700+ square foot concrete process laboratory. In our laboratory we strive for process control of the production of a high quality product that meets our customers' specifications and expectations. This process may include mix design verification, including small batch production, set time testing, process testing throughout all curing stages of the concrete (i.e. relative humidity), and compressive strength testing at desired days, and modulus of rupture at desired days. As well as aggregate testing and gradations, cement evaluations and testing, and monitoring external test reports of our mixes using state of the art enterprise software.

**Larry Lorren**-Laboratory Manager: ACI Concrete Field Testing Tech Grade I, ACI Lab Testing Tech Level I and Level 2, ACI Concrete Strength Testing Tech Level I, ACI Aggregate Testing Tech Level I, ACI Specialty Commercial/ Industrial Concrete Flatwork Tech, GDOT Concrete Batcher, GDOT Concrete Tech, and NRMCA Pervious Concrete Certification

**Chad Cohran**-Field/ Lab Tech: ACI Concrete Field Testing Tech Grade I, ACI Lab Testing Tech Level I, ACI Concrete Strength Testing Tech Level I, ACI Aggregate Testing Tech Level I, GDOT Concrete Batcher, GDOT Concrete Tech, and NRMCA Pervious Concrete Certification

**Austin Davis**- Field/ Lab Tech: ACI Concrete Field Testing Tech Grade I and GDOT Concrete Batcher
